Specifications

(International Program)

Faculty of Science Program Master of Science Program in Food Science and Technology (International Program) Degree Master of Science Curriculum code 1 7 1 2 Qualifications of applicants

1. Applicants must hold a Bachelor of Science in Food Technology or related fields. For other related degree holders, an approval from the Academic Program Subcommittee is required. Students completing their eligible degrees in the last semester can also apply. Candidates whose first language is not English must have an appropriate level in an approved test of English. A TOEFL score of 530 (paper-based) or 213 (computer-based) or 79 (internet-based) or higher or an IELTS score of 6.0 or higher is required. For those who do not have a TOEFL or IELTS score, CU Test of English Proficiency (CU-TEP) score equivalent to a TOEFL score of 530 is required.

2. The department graduate program administration committee considers that the applicants are qualified for this program.
